Schoes of the Ancient Silk Road

1

Acacia baileyana 'Purpurea'

Fast growing evergreen native shrub or small tree, prized for its distinctive soft, feathery silver-blue foliage with striking purple-toned new growth.

Masses of fragrant, bright and vibrant yellow pom-pom or globular flower clusters, blooming in late winter to spring.

Sun - Full

Water - Low

Seasonal interest
winter/spring

Acalypha 'Stephie'

Compact, mat-forming, evergreen groundcover of small dark green leaves with serrated edges and fluffy flowers.

Renowned for its bright red crimson, woolly "chenille" tail-like plumes that grow up to 10cm long.

Sun - Full/partial

Water - High

Flowering
autumn/spring/summer

Acer Senkaki - 3.5M

A small, deciduous, vase-shaped tree with intense red stems - excellent for Japanese style gardens or courtyards as a focal point.

Famous for its vibrant coral-red winter bark and yellow-golden autumn foliage.

Sun - Full/partial

Water - Medium

Seasonal interest
autumn/winter

Acinos 'Purple Poppet'

Hardy, fast-growing evergreen petite perennial groundcover producing a dense mat of 'minty' aromatic foliage.

Provides quick cover and long lasting colour with an abundance of tiny, tubular purple flowers that attract pollinators.

Sun - Full/partial

Water - Low

Flowering
autumn/spring/summer

Amelanchier canadensis

A slender deciduous, multi-stemmed shrub or small tree, 4-8m tall, valued for year-round interest.

Blanketed by snowy white flowers in spring of showy upright 5-petaled shape with a slight fragrance.

Sun - Full/partial

Water - Medium

Flowering
spring

Schoes of the Ancient Silk Road

2

Anemanthele 'Pheasant Grass'

A graceful, semi evergreen ornamental grass with fine hair-like leaves that move gracefully in the wind.

Thin arching evergreen leaves turn vibrant copper, gold and orange during autumn and winter.

Sun - Full/partial

Water - Low

Seasonal interest
autumn/winter

Astilbe Darkside of the Moon 'Midnight Delight'

Known for its dramatic, dark chocolate-to-purple foliage as the only dark-leaved astilbe.

Raspberry-colored buds open into soft, rosy-purple, or mauve-lavender flower plumes.

Sun - Full/partial

Water - High

Flowering
autumn/summer

Betula nigra - 6M

Deciduous tree valued for its attractive, peeling bark in shades of salmon-pink to creamy brown and lush, glossy green foliage.

Foliage that turns golden-yellow in autumn, with year long visual interest as a textural focal point.

Sun - Full/partial

Water - Medium

Seasonal interest
autumn

Betula pendula 'Black Prince'

A deciduous, small, upright, or semi-weeping tree with dark purple/red leaves, dark stems, and white bark.

Demonstrates year-round interest with a distinct, slender, and slightly weeping form.

Sun - Full/partial

Water - Medium

Seasonal interest
spring

Brunnera 'Silver Heart'

Striking silver foliage is highlighted by crisp green veins throughout the leaf adding interest and diversity to low light areas.

Small clusters of pretty cobalt blue flowers emerge in spring.

Sun - Shade/partial

Water - Medium

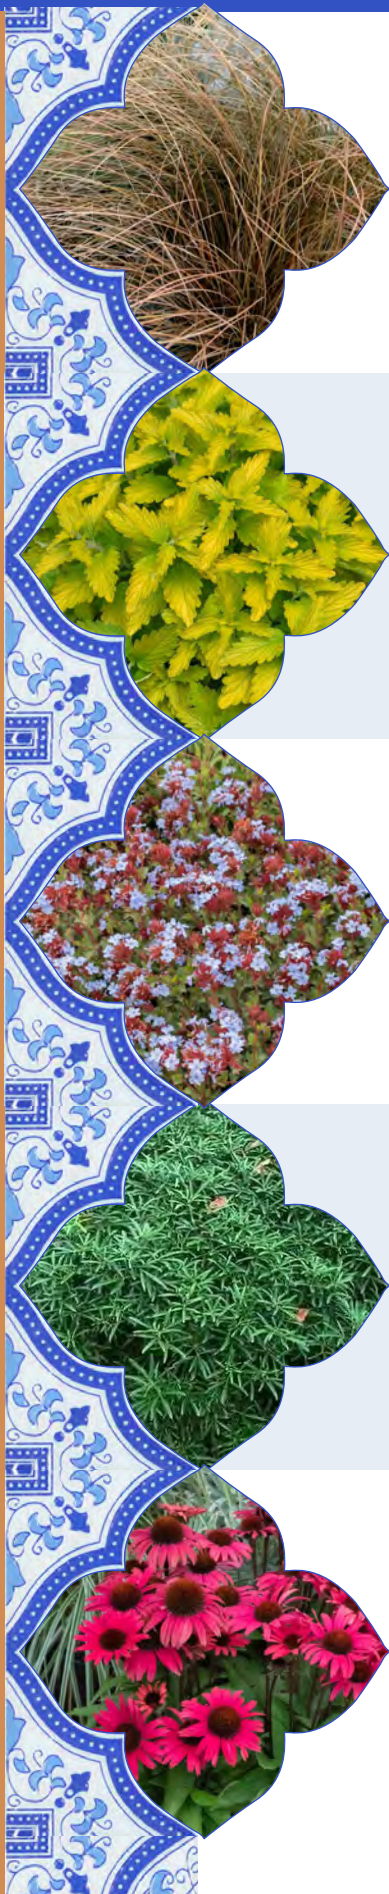

Flowering
spring

Schoes of the Ancient Silk Road

3

Carex 'Dusky Fountain'

A fast-growing, evergreen, ornamental sedge featuring fine, cinnamon-brown, arching foliage in a fountain-like mound.

A year round rich blend of deep bronze, cinnamon, and chocolate-brown.

Sun - Full/partial

Water - Low

Seasonal interest all year

Caryopteris 'Lisaura'

A compact, deciduous shrub featuring striking golden-yellow foliage that turns lime-green as a stunning backdrop to the flowers.

It features striking contrast between bright, lime-green foliage and vibrant lavender-blue aromatic bloom clusters.

Sun - Full/partial

Water - Low

Flowering autumn/summer

Ceratostigma 'Summer Sky'

An attractive and versatile small shrub with loads of seasonal colour and interest.

Famed for its brilliant powder-blue, lacy flowers with coloured foliage turning vibrant red, orange, and bronze in autumn.

Sun - Full/partial

Water - Low

Flowering autumn/summer

Choisya 'Little Sweetie'

Compact, dwarf evergreen shrub valued for its dense, rounded habit and glossy foliage, as a miniature cultivar of the Mexican Orange Blossom.

Prolific, sweetly scented white, star-shaped flowers a showpiece for low hedges or modern landscapes.

Sun - Full/partial

Water - Low

Flowering autumn/spring

Echinacea 'Pomegranate Sunseeker'

Long flowering, compact and highly ornamental coneflower variety.

Large, vibrant crimson-red to deep pink blooms that attract pollinators.

Sun - Full

Water - Low

Flowering autumn/spring/summer

Schoes of the Ancient Silk Road

4

Eucalyptus pulverulenta 'Baby Blue'

Popular, compact, silver-grey leaved shrub or small tree prized for its juvenile round form foliage, which is often used in floristry.

Small, tufted creamy white or pale yellow flowers appear along the stems.

Sun - Full

Water - Low

Flowering
winter/spring

Eucomis 'Sparkling Burgandy'

Dramatic bulbous perennial with dense racemes of starry purple tinged flowers up to 50cm long.

At the tip of the spike sits a rosette of leaves similar to those of pineapples.

Sun - Full

Water - Low

Flowering
summer

Ficus carica 'Black Genoa'

A fast growing, medium sized deciduous tree with a vigorous spreading habit.

During summer, this variety produces masses of excellent quality, delicious dark red fleshed fruit with purple-green coloured skin.

Sun - Full

Water - Medium

Flowering
summer

Geum 'Fiery Tempest'

A compact, mound-forming, semi-evergreen perennial known for its long-lasting display of flowers on tall, wiry stems.

Intense scarlet-red or fiery red-orange semi-double flowers with a slightly ruffled texture.

Sun - Full/partial

Water - High

Seasonal interest
autumn/spring/summer

Hakonechloa 'Sunflare'

A low-maintenance, slow-spreading deciduous perennial with cascading, bamboo-like foliage.

Excellent for illuminating shade areas with bright yellow/chartreuse foliage deepening to fiery red, orange and deep burgundy.

Sun - Shade

Water - Medium

Seasonal interest
autumn/spring/summer

Schoes of the Ancient Silk Road

5

Hakea francisiana 'Intensity'

A striking upright Australian native shrub with textural and fine upright foliage making it ideal for wildlife gardens attracting pollinators.

Features dense, cylindrical flower spikes in vivid reddish-pink hue of vibrant beauty.

Sun - Full

Water - Low

Flowering
winter/spring

Hemizygia 'Pink Fizz'

The plant has attractive grey-green foliage and is great for pots.

A lovely feature are the delicate, tubular pink flowers on upright spikes that cover the shrub.

Sun - Full/partial

Water - Medium

Flowering
autumn/spring/summer

Ligularia reniformis

Evergreen plant renowned for its large, glossy, green leaves - resembling a tractor seat, with a compact growth habit in a fountain shape.

As part of the daisy family, in summer, yellow starry flowers appear on long stems.

Sun - Shade

Water - High

Flowering
summer

Limonium 'Perezii Blue'

A hardy, evergreen perennial known for its large, long-lasting clusters of purple-blue, papery flowers on tall stems, rising above thick, leathery foliage.

Sun - Full

Water - Low

Flowering
autumn/spring/summer

Olea europaea 'Picholine'

A long-lived, slow-growing evergreen tree, featuring attractive silver-grey foliage and a gnarled grey trunk that develops with age.

Produces small, fragrant, creamy white in clusters followed by a medium-sized fruit with smooth flesh and fruity, peppery taste.

Sun - Full

Water - Low

Flowering
spring

Schoes of the Ancient Silk Road

6

Oleria traversii

An ideal hedging species with olive green foliage, featuring striking silver-white undersides.

Produces small, white daisy-like flowers in summer.

Sun - Full

Water - Low

Flowering summer

Parthenocissus tricuspidata 'Boston Ivy'

Features shiny, three-lobed, dark green leaves with a climbing growth habit via branched tendrils with adhesive, sucker-like disks that cling to surfaces like stone, brick, or wood without needing support.

Famous for its brilliant red-to-burgundy autumn color.

Sun - Full/partial

Water - Low

Seasonal Interest autumn

Parrotia persica - 4M

A delightful small to medium-sized deciduous tree that is often low-branched and multi-stemmed.

Exceptional vibrant and intense autumn colours of crimson, orange, yellow and purple. and interesting exfoliating bark.

Sun - Full/partial

Water - Medium

Seasonal interest autumn

Penstemon 'Firebird'

Semi-evergreen, lance-shaped dark green leaves on reddish-brown stems.

Vigorous and long-flowering famed for its vivid, tubular scarlet-red blooms.

Sun - Full

Water - Low

Flowering autumn/spring/summer

Punica granatum 'Ben Hur'

A bushy, attractive semi-deciduous tree covered in striking red blossoms before setting its oversized fruit.

Producing striking red to orange-red blooms followed by the development of large, sweet, and juicy red fruit.

Sun - Full

Water - Low

Flowering spring/summer

Schoes of the Ancient Silk Road

7

Quercus palustris - 5M

Majestic tree with good autumn colour is most suitable for larger park and garden plantings.

Brilliant, fiery scarlet to bronze autumn foliage, followed by a unique, sculptural winter silhouette.

Sun - Full

Water - High

Seasonal interest autumn

Salvia 'Vivacious'

Compact shrub that is easy to grow and suitable for cottage or wildflower style gardens.

Striking purple flowers that are great for entertaining areas or large containers.

Sun - Full/partial

Water - Low

Flowering autumn/spring/summer

Salvia 'African Sky'

Tough, low-maintenance perennial shrub known for its aromatic light green foliage and long-flowering, two-toned pale mauve-blue and white flowers.

Sun - Full

Water - Low

Flowering autumn/spring/summer

Salvia 'Aztec Blue'

A fast-growing, evergreen shrub or small tree, prized for massive, deeply lobed, tropical leaves with pale, felty undersides.

Produces large, creamy-white, ball-like clusters (umbels) on panicles.

Sun - Full

Water - Low

Flowering autumn/spring/summer

Salvia 'Elegance'

Robust, compact, and fragrant perennial that produces abundant magenta-pink flower spikes that are highly attractive to nectar-feeding birds and insects.

Sun - Full

Water - Low

Flowering autumn/spring/summer

Schoes of the Ancient Silk Road

8

Sedum 'Abbey Dore'

Upright, hardy perennial forms a tall, bushy mound of blue-green succulent leaves.

Produces large, flat clusters of dusky pink to magenta flowers that deepen in color as they age.

Sun - Full/partial

Water - Low

Seasonal interest
autumn/summer

Spirea 'Dolchica'

Compact, deciduous, or semi-evergreen shrub, growing roughly tall and wide in a neat, mounding dome and distinctive, crinkled, and jaggedly serrated lime green leaves.

Prized for its bright magenta-pink flower clusters and unique, deeply textured, serrated lime foliage that turns dark burgundy or red in autumn.

Sun - Full/partial

Water - High

Seasonal interest
autumn/spring/summer

Tetrapanax papyrifer

A fast-growing, evergreen shrub or small tree, prized for massive, deeply lobed, tropical leaves with pale, felty undersides.

Produces large, creamy-white, ball-like clusters (umbels) on panicles.

Sun - Full/partial

Water - High

Flowering
autumn

Ulmus parvifolia multistem

A fast growing, attractive semi deciduous tree with a broad vase-shape habit and pendulous branches, featuring small dark green leaves with serrated edges.

Attractive bark, exfoliating in irregular patches, revealing beautiful mottled colours of grey, green, orange and brown with small, inconspicuous, reddish-brown to green flowers in autumn.

Sun - Full/partial

Water - Medium

Flowering
autumn

Trachelospermum jasminoides

Versatile, woody, evergreen twining climber or groundcover known for its masses of highly fragrant, star-shaped white flowers that bloom.

Sun - Full/partial

Water - Medium

Flowering
summer
